ENJOY THE OUTDOOR'S LIFESTYLE

Does your sun shelter last several seasons? Give it a breath of fresh air with an original replacement canvas, perfect for extending it by a few years!

Safezone fabric

Safezone fabric has a flame-retardant treatment and a Polyurethane coating, which enhances its resistance to weathering and fading.

Fasteners and grips

For ease of handling, the canvas is fitted with a handle at each end. For optimum support, 3 fasteners are positioned on either side.

Drainage eyelets

Eyelets are integrated to improve water drainage.
