

COLLECTION MARINA

Soft-roof Pergola B101269-F69-280

ENJOY THE OUTDOOR'S LIFESTYLE

The retractable-roof pergola is a simple way to cover yourself from the sun or enjoy the warm rays, just as you like!

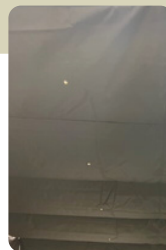

Aluminum frame

Ultra-light, resistant and durable, the aluminum frame of this pergola will stand up to the weather without rusting, ensuring its longevity.

Retractable roof

The retractable roof is made from Safezone fabric, which is UV-resistant and therefore more resistant to fading. Eyelets are integrated for improved water drainage.

Well thought-out design

Special features have been incorporated, such as the addition of gutters, a track for adding accessories (curtains or micas), and decorative anchor covers.

Limited warranty
2 years

Distance between each post :
Section 10' : 96"
Section 12' : 120"
