

COLLECTION CASILDA

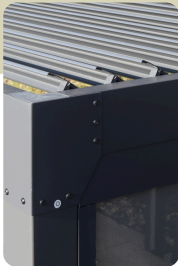

Side panel N101001-PAN-304 & N101301-PAN-304

ENJOY THE OUTDOOR'S LIFESTYLE

Elegantly enhance your pergola with a retractable screen that not only creates an area of privacy, but also protects you from the blinding rays of the sun.

Sliding mechanism

With their modern design, the independent sliding walls in each section are easy to handle with their smooth, manual mechanism.

Textilene fabric

Composed of polyester and PVC fibers, Textilene is highly resistant to UV rays, among other things, and offers the advantage of being particularly easy to maintain.

Installation

Free-standing panels allow installation after the pergola has been set up, and are easily installed using self-drilling screws.
