

COLLECTION FIREPLACE

Fireplace QP20SQX-003-F54

ENJOY THE OUTDOOR'S LIFESTYLE

Create sparks in the night! User-friendly and compact, this fireplace is ideal for unforgettable evenings around the fire.

Sturdy

Made of 16 gauge steel (1.6mm) coated with a high temperature paint, this fireplace will hold up to the comforting heat on cool nights.

Purposeful design

The screen is less than 1 cm in regulation size, and drainage holes have been made to reduce water stagnation during bad weather, maximizing its longevity.

Durability

In addition to being solid, this fireplace is easy to assemble. The perforated panels are easy to replace and give you a 360-degree view of the flames.
